Expenses include underlying fund expenses. Please refer to the prospectus for the underlying funds for more details.

Please consider the fund's investment objectives, risks, charges, and expenses carefully before investing.

Target Date Funds invest in a wide variety of underlying funds to help reduce investment risk. In addition to the target date fund expenses, you pay a proportionate share of the underlying fund expenses. Like other funds, target date funds are subject to market risk and loss of principal can occur at any time, including before, at or after the target date. There is no guarantee that target date funds will provide enough income for retirement or that asset allocation, diversification or any investment strategy will assure a profit or avoid losses.
