**IMPORTANT INFORMATION –  
ACCOUNT “CREDIT” FOR PLAN PARTICIPANTS**

Dear Plan Participant:

The County of San Diego Deferred Compensation Program is committed to helping you succeed in planning for your retirement. As part of that commitment, we have continued our efforts to minimize plan costs.

I am pleased to report that you will be receiving a “**CREDIT**” to your deferred compensation plan account based on cost savings. The credit will be reflected on your 2nd quarter statement as a “Fund Reimbursement” transaction dated April 12, 2017. The credit will **not** count toward the normal plan contribution limits.

You can find the information:

- 1.) On the website – on your Overview account page as a “Fund Reimbursement”, *adding to your balance.*
- 2.) On your 2<sup>nd</sup> Quarter 2017 statement – listed as a “Fund Reimbursement”, *adding to your balance.* You will also be able to see it broken out by investment under “Your Account Values By Investment Option”.

The Deferred Compensation Program is continually seeking ways to give you more value for your Deferred Compensation dollars, including enhancing your investment choices and lowering plan costs. If you have any questions, you may contact the Deferred Compensation Division of the Treasurer-Tax Collector at (619) 531-5840.

Thank you for participating in the County of San Diego Deferred Compensation Program.

Sincerely,

Dan McAllister
